DRAG RACING & CAR SHOW RULES

DRAG RACES

- ☠X We are using the Mattel® Hot Wheels Raceway.
- ☠X All small Hot Wheels **CORVETTE** type cars are welcome – BUT – the Hot Wheels brand fit the best. Some of the other brands are tight on the track. (“Run what you brung” at your own risk)
- ☠X Everyone must run a different car – no two drivers for one car here. Get yer own wheels!
- ☠X Your car must go down the track forward – not backwards or sideways – argghhh!
- ☠X All cars will be given a number by the Race Masters (maybe)
- ☠X Coin flip (a gold doubloon perhaps?) for lane choices.
- ☠X Shiny awards for the top 4 Cars and Special awards to the Top Man, Top Lady and Overall Fastest Car at the Race
- ☠X No protests allowed – we do not have any forms nor do we care
- ☠X All finishes are final - ye blazin’ track rats.
- ☠X We need track helpers... no pay – just a ton of laughs (I hope) **NO YELLING AT THE TRACK WORKERS OR YOU WILL WALK THE PLANK!!!**
